

# Frankenstein Narrative Point of View

| Chapter/Section                          | Who Is Speaking? | Impact on the Characters/Plot/Theme |
|------------------------------------------|------------------|-------------------------------------|
| Author's Introduction                    |                  |                                     |
| Preface                                  |                  |                                     |
| Letters 1–4                              |                  |                                     |
| Chapters I–II                            |                  |                                     |
| Chapters III–V                           |                  |                                     |
| Chapters VI–VIII                         |                  |                                     |
| Chapters IX–X                            |                  |                                     |
| Chapters XI–XII                          |                  |                                     |
| Chapters XIII–XIV                        |                  |                                     |
| Chapters XV–XVII                         |                  |                                     |
| Chapters XVIII–XX                        |                  |                                     |
| Chapters XXI–XXIII                       |                  |                                     |
| Chapter XXIV and Walton, in Continuation |                  |                                     |
